I am Seeking Written/Typed Permission to replicate and preserve a certain page of yours on my Substack. The page is "Police Protection Dial 911 and You Could Die! Ref: Police Protection.

<https://policecrimes.com/police-protection/>

Multiple copies of this on other sites will help ensure that it is never deleted as you know how 'they' loved to scrub certain information.

I am a Former-Veteran Correctional Officer - Louisiana State Penitentiary at Angola of 12 with multiple Law Enforcement Experience on the side. I am a huge proponent of Constitutional Rights and outspoken about Police Misconduct and Crimes of Law Enforcement. I report on numerous things and events at FEN and this subject matter is one of them. I would love to have your written/typed permission to replicate and preserve this information requested. I SHALL notate at the top and bottom and provide full notated permissions granted plus the Source Link as acknowledgment of authorship. Thank you for your

time and God Bless and excellent work in researching and gathering  
this very important information.

Sincerely
